Self-evaluation Summary - 2021

Edgars Creek Primary School (5310)

	FISO Improvement Model Dimensions The 6 High-impact Improvement Initiatives are highlighted below in red.	Self-evaluation Level	Evidence and Analysis
Excellence in teaching and learning	Building practice excellence	Emerging	PLCs are forming and starting to work collaboratively together. Staff Induction Program has been completed. Edgars Creek Primary School Instructional Model has been drafted and teachers are to begin implementing it.
	Curriculum planning and assessment	Emerging	Term 1 will involve rigorous data collection and analysis to establish individual student and collective students needs with an emphasis on literacy and numeracy development.
	Evidence-based high-impact teaching strategies	Emerging	PLCs are developing collaborative teaching methods.
	Evaluating impact on learning	Emerging	ECPS assessment schedule has been drafted and is being implemented.

Professional leadership	Building leadership teams	Emerging	Roles have been assigned to the ECPS Leadership team and all staff members.
	Instructional and shared leadership	Emerging	Staff have been working with the ECPS Leadership team to define the culture of the school based on the school values and belief.
	Strategic resource management	Emerging	ECPS staff have been recruited according to the workforce plan to work in professional learning community teams.
	Vision, values and culture	Emerging	The ECPS school community is developing its school ethos and establishing itself within the local community.

Positive climate for learning	Empowering students and building school pride	Emerging	PLCs are establishing their learning environments with the input of students.
	Setting expectations and promoting inclusion	Emerging	Our Child Safe Policies and Practices have been a focus for term 1, 2021. Our Student Engagement Policy is under construction
	Health and wellbeing	Emerging	We commenced the year with an ECPS Start Up program. Our overall wellbeing program continues to evolve.
	Intellectual engagement and self-awareness	Emerging	

Community engagement in learning	Building communities	Emerging	
	Global citizenship	Emerging	
	Networks with schools, services and agencies	Emerging	We have established an ongoing partnership with Edgars Creek Secondary College and plan to build upon this each year. Further community links need to be established.
	Parents and carers as partners	Emerging	

Enter your reflective comments	Edgars Creek Primary School (ECPS) has begun 2021 with 20 classes, working in 5 Learning Communities. There are 3 specialist programs and additional support staff.
Considerations for 2021	Building a whole school culture Establishing whole school consistent expectations, procedures and processes. Creating effective PLCs with a strong focus on collaborative planning. Program planning for students with additional needs including EAL
Documents that support this plan
