This week in Inquiry, students in 2E chose an Indigenous landmark that they wanted to learn more about. Some of the landmarks were: Uluru, Bondi Beach and the Great Barrier Reef. Students thought of questions that they wanted to find out more about and used iPads to research information.

Canine Comprehension is a program that truly understands the incredible power that dogs have in order to connect and engage with children.

Working with dogs can enhance emotional wellbeing and alleviate stress.

The passionate team at Canine Comprehension is dedicated to making a meaningful difference in the lives of our students.

At ECPS, we are currently only running small groups of students to work with Ruby. If you would like additional information about the program, please visit:

V.I.P

Very Important Prep

Our VIP Program provides a range of supportive measures for new preps and their families.

We allocate a dedicated VIP Educator during the Summer holiday program and the first few weeks of Term 1, to implement the tools required to support successful transitions for our VIP Prep children. The main role of the VIP Educator is to provide a welcoming environment for the Prep children and their families. Feedback on this special program has been highly commendable from our new families.

BIG ACTIVE

We're big on fitness

Big Active aims to increase the physical activity in our services, whilst making sure it's all still fun and games!

We have a team of sports specialists who visit the services after school and during the holidays to run games and skill-based challenges. It has been incredibly popular with the kids and their families.

Nutritious & Yummy Meals

 Nutrition Australia

We provide a seasonal, Nutrition Australia approved menu that our kids often say they LOVE! So, for those early birds who arrive at Before School Care prior to 8.00am, a delicious breakfast will be on offer to get them energised for school.

We have a variety of cereals, breads and spreads on offer as well as special mornings, featuring pancakes, eggs and plenty of other appetizing options.

Then in our After School Care program, we base our food choices on the nutritional needs of the children, as well as their individual medical conditions (allergies) and likes/dislikes. Our kids get to have a big say as to what's on the menu planner! We always ensure children have enough to eat, to give them the energy they need to get on with the activities they love.

Experienced & Passionate Educators

Our educators are friendly and passionate about working with children and we cannot wait for you to meet them. They love getting to know each child individually whilst committing to providing a supportive and safe environment.

Our team at school will have current Working With Children Checks and relevant industry qualifications, with a first aid qualified member of staff on hand at every centre.

We value our relationships with families, children and the school so you may even see our staff helping out at school events too! Please come and say hello!
