# Celebrating Our Multicultural School Community

## Everyone is welcome at Edgars Creek Primary School!

## WHERE IN THE WORLD HAVE OUR FAMILIES COME FROM?

We are extremely proud of our multi-cultural community at ECPS! The families that are part of our school have come from many different countries.

Throughout 2024, we are acknowledging the geographical location of a new country each week during our school assembly. A dot is added to each country as we have acknowledged it.

**This week's country is India**

# Parking and safety around schools

## Speed

Look out for the reduced speed limit around schools and slow down to improve safety.

## Yellow edge line

A driver must not stop on the side of the road marked with a yellow edge line.

## Fire hydrants

1 Metre clearance is required for fire hydrants, fire hydrant indicators or fire plug indicators.

## School crossings

- Look out for flags and crossing supervisors.
- You must stop for anyone waiting to cross, or who has started crossing
- Please remain stopped until the crossing is clear.

## No crossing on nature strips/footpaths

Parking is illegal on nature strips and footpaths.

## Double parking

It is illegal to double park at anytime. This affects the flow of traffic.

## Within 10 metres of an intersection

A driver must not stop with any part of their vehicle within 10 metres of an intersection unless signed otherwise.

## Stopping across driveways

It is illegal to stop/park across a driveway unless you stay in the car and are there for no more than two minutes and move immediately if required to do so to allow entry or exit by the owner/occupier.

## 3 Metre gap from white line

At least 3 metres must be left between your vehicle and the centre dividing line to allow other vehicles to pass safely and not obstruct traffic.

# Parking at schools can be challenging due to limited spaces and heavy traffic, but doing it correctly can save lives.

Children are unpredictable and often move quickly, so as adults, we need to ensure their safety. By parking correctly we can do that.

## Follow designated parking areas

Always park in designated areas and follow the school's parking regulations.

## Drop-off and pick-up zones

Use designated drop-off and pick-up zones if available. These areas are designed for quick stops and minimise the time children spend in traffic areas.

## Avoid double parking

Double parking can obstruct visibility and create hazards. Park only in designated spaces to allow for smooth traffic flow and prevent accidents.

## Mind crosswalks and pedestrian paths

Avoid parking in or near crosswalks and pedestrian paths. Ensure that children have a clear path to walk safely to and from school without having to navigate through parked cars. It is illegal to park within 20m before a crossing and within 10m after a crossing.

## Stay within marked lines

When parking, make sure to stay within the marked lines to maximize space efficiency and prevent congestion. This also ensures that emergency vehicles can pass through easily if needed.

## Turn off engines

If you're waiting in your car, especially in drop-off or pick-up areas, turn off your engine. This reduces air pollution and creates a safer environment for children.

## Watch for school zone signs

Obey speed limits and watch for school zone signs. These areas typically have reduced speed limits during certain hours to enhance safety.

## Be mindful of blind spots

Before pulling into or out of a parking space, be mindful of blind spots. Check mirrors and surroundings to ensure no children are in the vicinity.

## Practice patience

Traffic around schools can be hectic during drop-off and pick-up times. Practice patience, follow traffic rules, and be courteous to other drivers to create a safer environment for everyone.

## Encourage walking or carpooling

If possible, encourage walking or carpooling to reduce the number of vehicles around the school. This can alleviate traffic congestion and contribute to a safer environment.

**By following these guidelines, adults can contribute to creating a safer and more organised parking environment around schools, ultimately ensuring the well-being of children.**

## Dental Health Services Victoria

Dental Health Services Victoria (DHSV) provides **Community Dental Clinics** for children 0-17 years.

It is important for children to have regular dental checks. If your child does not have a private dentist, you can access the Dental Health Services Victoria Community Dental Clinics.

### Who can use this service?

- This service is available to all children 0-12 years of age
- Children in school years 7 to 12, up to 17 years of age, if they or their parents/guardians hold a current health care or pensioner concession card
- Refugees or asylum seekers.

### How much does it cost?

- Treatment, examinations and check-ups are **FREE** for children who have a Child Dental Benefits Schedule, or whose parents hold a Healthcare or Pension Concession Card. You can check a child's eligibility online at [www.humanseervices.gov.au](http://www.humanseervices.gov.au) or by phoning 13 20 11. If you qualify, your children are eligible for \$1000 dental care over 2 calendar years
- For children 0-12 years that do not fit the above criteria, there **may** be a cost of \$34.00 per course of care. Please check with your Community Health Centre Dental Clinic on the numbers below.

### What type of treatment is provided?

Community Dental Clinics offer care to all children every one to two years. After your child's first course of care is completed you will be sent a letter of offer for further treatment in two years. Children who are assessed as high risk are seen every 12 months.

Last updated February 2020

### Affordable care

Most paediatric services are bulk billed to Medicare and involve no out-of-pocket fee if you are:

- A Pensioner Concession or Health Care Card-holder (or listed as a dependent)
- An Aboriginal or Torres Strait Islander person
- A refugee or asylum seeker

NOTE: Some specific services, such as contact lenses and visual information processing assessments, may incur an out of pocket fee.

Other patients will be required to pay a modest out-of-pocket fee

### Glasses

We offer a range of affordable childrens frames.

Additionally, glasses are available at subsidised rates through the Victorian Eyecare Service (VES) for Pensioner or Health Care Cardholders (or are listed as a dependent). Subsidised glasses for Aboriginal and Torres Strait Islander people are also available through the Victorian Aboriginal Spectacles Subsidy Scheme (VASSS).
