INDIAN PRINCIPALS AND VICTORIAN PRINCIPALS VISIT – TUESDAY 14TH MAY & WEDNESDAY 15TH MAY

On Tuesday 14th May, ECPS will be hosting 2 Indian Principals and 2 regional Victorian Principals. Dr Santosh Vyas, Mallika Preman, Donna Wright and Sarah Tyrrell will be visiting the school. Senior educators from the Department of Education North-Western Region will be joining us for lunch to meet our distinguished guests and view some of the teaching and learning at Edgars Creek Primary School.

Our ECPS school community is invited to a special assembly to welcome our guests on Tuesday 14th May between 9.10am and 10.00am in the school gym.

Dr Santosh (Ann's partner Principal) will be at ECPS for the Wednesday morning also.

Read on to meet our 4 distinguished guests.

Dr Santosh Vyas

Principal, Sadhu Vaswani International School for Girls in Delhi India.

Santosh leads a school of nearly 2000 female students from Kinder to Year 12. She has a M.A in Political Science, M. Phil from University of Delhi, B.Ed from Central Institute of Education, University of Delhi and Ph.D. Her educational and administrative experience helps her to understand the dynamism of the ever changing educational requirements.

Santosh and her staff hosted Ann as part of the Victorian Principal's Indian immersion program. Ann spent 3 days at the school viewing classroom learning, looking at the teaching and learning programs, their wellbeing programs and talking with students and staff.

Santosh is looking forward to visiting ECPS and watching many aspects of our educational programs she discussed with Ann while she was visiting.

Mallika Preman

Principal, Tagore International School, New Delhi, India

Mallika is the Principal of this school in New Delhi of 2400 students and 120 staff. She is a passionate educator with experience of 30 years working in niche schools in India.

Mallika believes in the Gandhian proverb "Be the change that you want to see" and uses her vast experience to inspire others.

Donna Wright

Principal, Bandiana Primary School (near Wodonga)

Donna leads a rural school of 281 students and 21 teachers. She is committed to inclusive education and has presented lectures at a national and international level. Donna was named Australian Principal of the Year of Government and Independent Schools 2020 and Victorian Marrung Leader 2023.

Donna travelled to India as part of the Women In School Leadership program with Ann.

Sarah Tyrrell

Assistant Principal, Cowes Primary School

Sarah has been teaching for over 20 years and has experienced overseas as well, teaching in Ireland. She leads 517 students in the regional area of Cowes (Phillip Island) in Victoria. Sarah is a lifelong learner and was also part of the Victorian Principals who visited India in 2023 with Ann.

Parking and safety around schools

Speed

Look out for the reduced speed limit around schools and slow down to improve safety.

Yellow edge line

A driver must not stop on the side of the road marked with a yellow edge line.

Fire hydrants

1 Metre clearance is required for fire hydrants, fire hydrant indicators or fire plug indicators.

School crossings

- Look out for flags and crossing supervisors.
- You must stop for anyone waiting to cross, or who has started crossing
- Please remain stopped until the crossing is clear.

No crossing on nature strips/footpaths

Parking is illegal on nature strips and footpaths.

Double parking

It is illegal to double park at anytime. This affects the flow of traffic.

Within 10 metres of an intersection

A driver must not stop with any part of their vehicle within 10 metres of an intersection unless signed otherwise.

Stopping across driveways

It is illegal to stop/park across a driveway unless you stay in the car and are there for no more than two minutes and move immediately if required to do so to allow entry or exit by the owner/occupier.

3 Metre gap from white line

At least 3 metres must be left between your vehicle and the centre dividing line to allow other vehicles to pass safely and not obstruct traffic.

City of Whittlesea

Parking at schools can be challenging due to limited spaces and heavy traffic, but doing it correctly can save lives.

Children are unpredictable and often move quickly, so as adults, we need to ensure their safety. By parking correctly we can do that.

Follow designated parking areas

Always park in designated areas and follow the school's parking regulations.

Drop-off and pick-up zones

Use designated drop-off and pick-up zones if available. These areas are designed for quick stops and minimise the time children spend in traffic areas.

Avoid double parking

Double parking can obstruct visibility and create hazards. Park only in designated spaces to allow for smooth traffic flow and prevent accidents.

Mind crosswalks and pedestrian paths

Avoid parking in or near crosswalks and pedestrian paths. Ensure that children have a clear path to walk safely to and from school without having to navigate through parked cars. It is illegal to park within 20m before a crossing and within 10m after a crossing.

Stay within marked lines

When parking, make sure to stay within the marked lines to maximize space efficiency and prevent congestion. This also ensures that emergency vehicles can pass through easily if needed.

Turn off engines

If you're waiting in your car, especially in drop-off or pick-up areas, turn off your engine. This reduces air pollution and creates a safer environment for children.

Watch for school zone signs

Obey speed limits and watch for school zone signs. These areas typically have reduced speed limits during certain hours to enhance safety.

Be mindful of blind spots

Before pulling into or out of a parking space, be mindful of blind spots. Check mirrors and surroundings to ensure no children are in the vicinity.

Practice patience

Traffic around schools can be hectic during drop-off and pick-up times. Practice patience, follow traffic rules, and be courteous to other drivers to create a safer environment for everyone.

Encourage walking or carpooling

If possible, encourage walking or carpooling to reduce the number of vehicles around the school. This can alleviate traffic congestion and contribute to a safer environment.

By following these guidelines, adults can contribute to creating a safer and more organised parking environment around schools, ultimately ensuring the well-being of children.
