END OF YEAR MESSAGE FROM THE PRINCIPAL

Dear Families, Students, and Staff,

As we reach the end of 2024, I want to take a moment to celebrate all that we've achieved together this year.

Our students have worked hard, shown great resilience, and achieved so much in their learning. Whether in the classroom, on the stage, or the sports field, they have made us proud. To our Year 6 students, congratulations on completing primary school! We wish you all the best as you take your next exciting step into secondary school.

To our teachers and staff, thank you for your dedication and care. Your efforts every day make a real difference in the lives of our students.

To our families, we are so grateful for your support and partnership throughout the year. Whether helping with homework, attending school events, or encouraging your child, your involvement means so much to us.

This year, you've seen our school grow in so many ways. Together, we've continued to build a strong, positive, and inclusive community where every student matters.

As the holidays approach, I hope you all take time to relax and enjoy special moments with your loved ones. Whether you're traveling or staying home, I wish you a safe and happy break.

We're excited for the year ahead and all the opportunities it will bring. Thank you for being part of our wonderful school community, and we look forward to seeing you again in 2025!

DISMISSAL END OF THE YEAR

A reminder that school will finish at 1:30pm on Friday, 20th December. Please make arrangements to ensure your child/ren are picked up promptly at this time.

REPORTS

All Semester 2 Reports for 2024 are now accessible via COMPASS.

When preparing student reports, teachers draw on a combination of formal and informal assessments and engage in moderation processes with their colleagues to ensure consistency and accuracy. Teachers have carefully considered each student's attitude, effort, and growth while writing their reports. These documents provide a comprehensive overview of each child's learning journey and achievements, celebrating their progress and contributions throughout the semester.

Should you require additional information please contact your child/ren's home group teacher or Sub-School Assistant Principal.

Learning together for success.

TEACHER EXCELLENCE PROGRAM 2024

Our school values the learning and development of our staff, and the positive impacts this has on student outcomes and school improvement.

We are proud to share that Emily Krygger recently successfully graduated from the Teaching Excellence Program at the Victorian Academy of Teaching and Leadership.

This program enables skilled teachers to advance their capabilities and excellence in teaching.

Through the program, Emily Krygger grew their knowledge of teaching practice using the latest, evidence-informed research by inquiring into 2 areas of their practice, using the evidence of how students learn, generative AI, explicit teaching methods, student engagement tools and discipline-specific focussed learning. They were also inspired by national and international experts in the field of education through 2 dedicated conferences.

We look forward to working with Emily Krygger implement their knowledge and skills from the program to continue to support student outcomes and wellbeing at our school.

EDGARS CREEK
PRIMARY SCHOOL

THE VICTORIAN STATE SCHOOLS

SPECTACULAR

Edgars Creek Primary School is fortunate enough to have been accepted into the 2024 Victorian State School Spectacular for Mass Dance. This is the first time our school has participated in this amazing event and we are so very excited!

The Spectacular includes a cast of 3000 Victorian government school students, working towards a common goal in a collaborative, competition-free environment. Its dual aim is to provide an invaluable performing arts opportunity to Victoria's government school students and to showcase the enormous talent that exists in our schools. This all comes together in a two-three hour scripted show, that celebrates a diversity of performance mediums, including choir, dance, vocal, drama, and orchestra.

The Spectacular promotes student engagement and educational outcomes by boosting motivation and student attendance, building confidence and self-esteem, leadership skills, cooperation, collaboration, forging friendships and a sense of belonging.

Students who participate in the Victorian State Schools Spectacular are provided with a unique opportunity to work with internationally renowned industry professionals across all disciplines, as well as the amazing experience of performing live in front of thousands of people.

In 2025, 16 of our Year 5 and 6 students will get the opportunity to take part in the program. Students are invited to audition at the beginning of the Year. We will teach the students a simple dance during a recess audition and will select 16 participants (and an additional 4 emergency students).

Students selected must commit to 4 full dance training days (Mar 4, Apr 29, Jun 3, Aug 13), a weekly VSSS recess club, 2 full dress rehearsal days (Sep 11, 12 at John Calne Arena) and the VSSS show day, performing 2 full shows at John Calne Arena (Saturday 13th September 2025). It is an expectation that families will bring/collect their child to/from the venue on the show day. The overall cost per student is around \$140 and includes a VSSS t-shirt and bus expenses. The cost will be spread out over the year.

Students will be fitted for full costumes on performance day at no expense. Families wanting to attend the VSSS final shows will need to purchase tickets through Ticketek later in the year. The prices range from \$15-\$30 per person.

Please speak to your child about this fantastic opportunity. If you have any questions at all please contact us via Compass or call the front office 9407 7100.

Thanks

LITTLE GIGS AUSTRALIA

"Little Victorian's" Achiever

AWARD

Little Gigs Australia is a premier Melbourne Performance Agency, dedicated to nurturing the talents of young artists across music, dance, and street performance. Our mission is simple yet powerful: to help children gain a performance edge, reach their full potential, and authentically shine!

We believe in celebrating young Victorians who are striving for excellence, not only in performance but in all areas of life. With a strong focus on fostering a growth mindset, Little Gigs is passionate about recognising children who put family and community first, show initiative, and pursue their passions for causes greater than themselves.

The Little Victorian Achievers Award will spotlight the outstanding achievements of children aged 13 and under, celebrating their BIG accomplishments. Whether excelling in music, performance, sports, community involvement, or even launching a business or project, this award will honour those who are making a significant impact.

We invite schools and families to nominate inspiring children who are pushing boundaries and achieving remarkable things.

Nominations should include:

- A brief outline of key achievements to date – from performances and sports awards to community involvement or entrepreneurial projects.
- Examples of how the nominee has shown initiative and creativity in their journey.
- Demonstrations of determination, focus, and resilience in overcoming challenges.
- Highlights of moments where the nominee has contributed to their community or positively impacted those around them.

In 25 words (2-3 sentences), please summarise your nomination, showcasing the nominee's achievements and the impact they have made. This summary may be used for media purposes and the on-stage presentations at the gala dinner.
