OUT OF SCHOOL UNIFORM DAY

FRIDAY 20TH DECEMBER

On the last day of Term 4, the Junior School Council have organised an out of school uniform day. Students can come to school dressed in their favourite colour or casual clothes.

SWIMMING PROGRAM

Our swimming program has been a resounding success! Students not only enjoy their time in the pool but also develop essential water safety and swimming skills. These are vital skills in life, particularly in a country like ours, where water activities are such a big part of our lifestyle. Water safety education is crucial for fostering confidence and awareness around water. Through this program, our students learned key techniques to stay safe. These skills empower them to make safe choices in and around water, ensuring they are better prepared for various aquatic environments.

STATEWIDE TRANSITION DAY

By all accounts, our recent Transition Day was a great success!

All students participated in their 2025 learning spaces, and we were delighted to welcome 14 new students to our school. It was heartwarming to hear their feedback, with many sharing how kind and friendly everyone was. Meanwhile, our Year 6 students had a wonderful day exploring their secondary schools, marking an exciting milestone in their educational journey.

As a school, we are well-prepared to support our 2025 cohort, and I'm confident it will be another fantastic year of learning and growth. Thank you to our incredible community for your ongoing engagement and support—it truly makes a difference.

FEEDBACK FROM SPLASH

I would like to take a moment to share some heartwarming feedback we recently received about our Prep students. The Team Leader of Aquatic Programs at Splash, shared that our Prep students were an absolute delight. Hearing such glowing feedback fills us with pride and reaffirms the importance of creating a nurturing and inspiring environment. Thank you to our Prep families for laying such strong foundations for their children and for partnering with us on this incredible journey.

ASSEMBLY

We warmly invite all families to join us for our final assembly for the year on tomorrow (Friday 13th December). Our end of year raffle will be drawn.

REPORTS

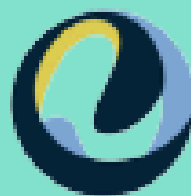

Semester 2 reports will be accessible via COMPASS Monday 16th December.

When preparing student reports, teachers draw on a combination of formal and informal assessments and engage in moderation processes with their colleagues to ensure consistency and accuracy. Teachers have carefully considered each student's attitude, effort, and growth while writing their reports. These documents provide a comprehensive overview of each child's learning journey and achievements, celebrating their progress and contributions throughout the semester.

Should you require additional information please contact your child's/ren's Sub School Principal.

Learning together for success.

THE VICTORIAN STATE SCHOOLS

SPECTACULAR

Edgars Creek Primary School is fortunate enough to have been accepted into the 2024 Victorian State School Spectacular for Mass Dance. This is the first time our school has participated in this amazing event and we are so very excited!

The Spectacular includes a cast of 3000 Victorian government school students, working towards a common goal in a collaborative, competition-free environment. Its dual aim is to provide an invaluable performing arts opportunity to Victoria's government school students and to showcase the enormous talent that exists in our schools. This all comes together in a two-three hour scripted show, that celebrates a diversity of performance mediums, including choir, dance, vocal, drama, and orchestra.

The Spectacular promotes student engagement and educational outcomes by boosting motivation and student attendance, building confidence and self-esteem, leadership skills, cooperation, collaboration, forging friendships and a sense of belonging.

Students who participate in the Victorian State Schools Spectacular are provided with a unique opportunity to work with internationally renowned industry professionals across all disciplines, as well as the amazing experience of performing live in front of thousands of people.

In 2025, 16 of our Year 5 and 6 students will get the opportunity to take part in the program. Students are invited to audition at the beginning of the Year. We will teach the students a simple dance during a recess audition and will select 16 participants (and an additional 4 emergency students).

Students selected must commit to 4 full dance training days (Mar 4, Apr 29, Jun 3, Aug 13), a weekly VSSS recess club, 2 full dress rehearsal days (Sep 11, 12 at John Calne Arena) and the VSSS show day, performing 2 full shows at John Calne Arena (Saturday 13th September 2025). It is an expectation that families will bring/collect their child to/from the venue on the show day. The overall cost per student is around \$140 and includes a VSSS t-shirt and bus expenses. The cost will be spread out over the year.

Students will be fitted for full costumes on performance day at no expense. Families wanting to attend the VSSS final shows will need to purchase tickets through Ticketek later in the year. The prices range from \$15-\$30 per person.

Please speak to your child about this fantastic opportunity. If you have any questions at all please contact us via Compass or call the front office 9407 7100.
