## School Captain Badge Presentation

This past Friday, our House and Specialist Captains were proudly presented with their badges, marking a significant milestone in their leadership journey. The ceremony was a moment of recognition for these dedicated individuals who will now serve as role models and inspire their peers throughout the year. With their new responsibilities, these captains are ready to lead by example, demonstrating the values of teamwork, perseverance, and commitment. We are excited to see the positive impact they will have in guiding their respective houses and specialist teams to success!

## EXCITING NEWS FOR OUR PREP'S

We are thrilled to announce that starting next week, our Prep students will be attending school Monday through Friday! Over the past five weeks, we have seen incredible progress in both their academic achievements and social development. The students have excelled in their learning spaces and have enjoyed their time on the play yard, making the most of every moment.

We couldn't be prouder of how far they've come, and we are excited for the next chapter of their journey at ECPS. It's been an absolute pleasure having them with us, and we look forward to continuing to support their growth in the weeks ahead!

## HARMONY DAY FAMILY EVENT

As a school community, we embrace and take pride in our diverse backgrounds. We look forward to celebrating this together at our Harmony Family Event on Wednesday, 19th March, from 3:30 pm to 5:30 pm. More details will be shared soon—we can't wait to celebrate with you!

*Learning together for success.*

Dear Families,

It has been a pleasure watching our new school captains and vice captains organising and running our assemblies, stepping into their roles seamlessly. Over the past couple of weeks, I have enjoyed presenting badges to our leaders across all areas of the school. I look forward to watching them grow into their new roles.

### **Peer Mediation**

A huge thank you to Sara, Beck, and Rene for overseeing our first Peer Mediation training session with some of our Grade 5 and 6 students. This initiative is a wonderful step in alleviating schoolyard issues through student-led mediation.

Peer mediation is designed to contribute to a positive, caring, safe, and friendly school environment. The Stride Peer Mediation program helps students identify issues among peers and teaches them skills and guidelines for resolving low-level conflicts. Mediation opens up communication channels, allowing students to discuss their problems with the guidance of trained mediators and come to a reasonable resolution.

### **Scooters/Bikes**

I am reaching out to the school community to ask for your support regarding students riding bikes and scooters on public roads. It's crucial that students wear helmets and remain aware of their surroundings when leaving the school grounds. Given the high volume of pedestrian traffic on the footpaths, we must prioritise everyone's safety. We continue to remind students that bikes and scooters should not be ridden within the school yard. Thank you for your ongoing support in keeping our students safe.

### **School Dismissal**

I would like to take this opportunity to remind families that school dismissal is at 3:15 PM, and staff supervision in the yard concludes at 3:30 PM. It is important to ensure that your child/ren are picked up promptly at dismissal time. If necessary, please consider utilizing our After School Care Program with Camp Australia [www.campaustralia.com.au](http://www.campaustralia.com.au) or register for emergency situations.

### **Cybersafety**

We continue to make cybersafe a key focus in our daily teaching, as our students are exposed to the digital world on a daily basis. With technology being an integral part of their lives, it's essential that they not only learn the academic skills needed but also how to navigate online spaces safely and responsibly.

As a school community, it's important that we address the topic of social media and its impact on our students. While social media can offer great opportunities for connection and learning, it also comes with risks, including cyberbullying, privacy concerns, and exposure to inappropriate content. One particular area of concern is the chat functions between students. These private or group chats can be a space for positive communication, but they can also become a platform for negative interactions, such as exclusion, spreading rumours or even bullying.

We encourage students to be mindful of how they communicate in these chats, reminding them to always be respectful and kind in their messages. It's crucial that students understand the potential impact of their words online and how quickly something written in a chat can escalate or cause harm. We also remind them to avoid sharing personal information and to be cautious about who they engage with in these online spaces.

As parents, teachers, and caregivers, it's vital that we support students in navigating these digital spaces. We encourage open conversations about what's happening in their online interactions and remind them that they can always come to a trusted adult if they feel uncomfortable or unsafe in a chat. By working together, we can help ensure our students have a positive and safe online experience. Thank you for your ongoing support in promoting safe digital behaviour.

### **Classroom Visits**

This week, I had the opportunity to visit the Grade 1 class as they focused on their handwriting lesson, as well as a Grade 3 class where students had fun exploring alliterations in their learning, while the Grade 6 students were solving a brain teaser. It was wonderful to see such enthusiasm and engagement in both classes.

Meet the Teacher

I am also looking forward to greeting families during our "Meet the Teacher" event on Thursday, 6th March. It will be a great opportunity to connect with you all.

# Mascots for Sale!

Last year some of our High Ability students created some 3D designs of our School House Mascots to sell in our canteen.

Once mascots were designed the children presented to Leadership in a 'SHARK TANK' style to persuade them to sell their mascots.

Above are the winning designs which have been printed on our 3D printer and are for sale at the canteen for \$2. Get in quick for the first batch of these cute mascots which are made to hang from our school lanyards!

# Dojo Islands

**Dojo Islands is an amazing new feature of the Class Dojo app! It is a place where students can communicate and socialise through collaborative play!**

*This exciting new feature:*

- Fosters creativity and social skills
- Is safe as only verified users can play and chat is limited
- Brings the entire classroom together!

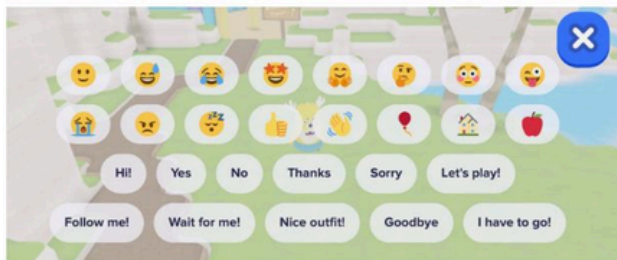

## FAQ

### What can my child do on Dojo Islands?

Today your kids can explore the island, play hide & seek together, and collaborate to build in our sandbox. We're just getting started in our early beta program, and plan to add a ton more fun and collaborative learning experiences over time. We welcome your ideas!

### How is Dojo Islands safe for kids?

Dojo Islands is built with kid safety as the #1 priority.

Only the students that have been added/verified by you can join the Island.

That means no outsiders, no strangers. Chat between kids is limited to a few select options to keep things friendly.

### What can my child do on Dojo Islands?

Today your kids can explore the island, play hide & seek together, and collaborate to build in our sandbox. We're just getting started in our early beta program, and plan to add a ton more fun and collaborative learning experiences over time. We welcome your ideas!

### What controls do Parents have?

Parents can control their kids' access to Dojo Islands from their Parent account.

### We don't see Dojo Islands (only the monster customizer)!

Class Dojo is gradually expanding access to Dojo Islands. You may need to update or relaunch the ClassDojo app!

# Celebrating Our Multicultural School Community

## Everyone is welcome at Edgars Creek Primary School!

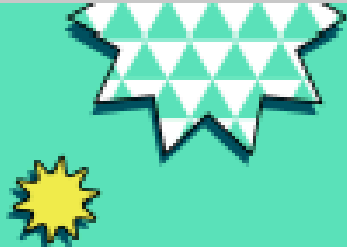

## WHERE IN THE WORLD HAVE OUR FAMILIES COME FROM?

We are extremely proud of our multi-cultural community at ECPS! The families that are part of our school have come from many different countries.

Throughout 2024, we are acknowledging the geographical location of a new country each week during our school assembly. A dot is added to each country as we have acknowledged it.

**This week's country is Jordan**

## A message from your Coordinator

Hello all,

I am pleased to announce that Camp Australia OSHC at Edgars Creek Primary School is officially running! This exciting development provides a safe and enriching environment for students at before and after school, as well as during school holidays.

Our team will offer a variety of structured and age-appropriate activities that foster social, emotional, and physical development. Activities will include arts and crafts, sports, supervised play, and opportunities for independent study and quiet reading. Our professional and dedicated staff will ensure that all children are cared for in a safe, nurturing, and supportive environment.

I look forward to supporting your child's growth and development through this program and eager to work together to create a positive experience for all involved.

I have enjoyed getting to know your children and families. I look forward to supporting each individual child to further their growth and development.

Should you have any questions or require further information, please do not hesitate to reach out to me directly at 0432 311 902. Warm Regards, Bianca.
