Learning together for success.

Dear Families,

Ramadan

I would like to take a moment to acknowledge and celebrate this significant time for many of our students and families. Ramadan is a time of reflection, prayer, fasting, and giving, and it provides an opportunity for growth, spiritual renewal, and community bonding. We recognise the importance of this month for our Muslim community members and offer our support to those who will be observing fasting and other practices during this period. Our school remains committed to fostering an inclusive and respectful environment where all cultures and traditions are valued.

We encourage families to share any specific needs or considerations they may have, so we can support our students in their learning and wellbeing during Ramadan.

On behalf of the entire school community, I wish all those observing a peaceful and blessed Ramadan. May it be a time of health, joy, and connection for you and your family.

NAPLAN

As NAPLAN approaches, I wanted to provide a brief reminder about the upcoming assessments. NAPLAN is a national test that assesses students' skills in literacy and numeracy. While it provides valuable insights into learning, it is just one measure and does not define your child's abilities.

Our teachers have been working closely with students to ensure they feel well-prepared and confident. They've had the chance to practice key skills and strategies to help them approach the tests calmly and with a positive mindset. For any student who may be feeling anxious, we encourage a focus on doing their best rather than being concerned over the outcome.

We wish all our Year 3 and 5 students the best of luck as they participate in NAPLAN.

Classroom Visit

This week, I had the pleasure of visiting a Prep classroom, where some students shared their writing responses with me. It was incredibly impressive to see their development in constructing simple sentences that included correct alphabet and sound matching, as well as the use of finger spaces and full stops. It's clear they are already building strong writing foundations. Great work from our Prep students!

International Women's Day

On International Women's Day (March 8th), we take the opportunity to celebrate and recognise the incredible women within our school community—our staff, students, and families—who inspire, lead and contribute to the growth and well-being of those around them. Your contributions and efforts make a lasting impact and on this day we honour and acknowledge all that you do.

Thank you for your ongoing support as we work together to create a school environment where everyone is empowered, respected, and inspired.

Wishing everyone a safe and enjoyable long weekend! We look forward to welcoming our students back on Tuesday, 11th March 2025.

Warm Regards,
Teresa Marnik
Principal
